Eligibility Criteria for a child to go to
Camp Abilities Long Island

Children who attend Camp Abilities must possess the following in order to participate:

1) They have a visual impairment (must have a vision teacher).
2) They are predominantly independent (helping with tying shoes, bathing, toileting, or picking clothes is fine)
3) They possess verbal or sign communication skills appropriate within 2 years of their age
4) They display behaviors that allow them to function in a group setting that does not affect other group members;
   ● Must NOT run away (this is a college campus and this behavior is dangerous for everyone, any child who runs away will be sent home immediately).
   ● Must not kick.
   ● Must not bite.
   ● Must not display defiant behavior (this includes refusing to stand in a line, refusing to participate in a variety of activities, refusing to abide by the bed time)
5) They do not possess a medical problem that requires a nurse for constant supervision (we only have 1 nurse and with 25 campers we cannot afford to have a child that requires all of their time)
6) *Parents must disclose ALL necessary information that will allow us to provide a safe environment for the week

Athletes will be ineligible and sent home if they display the following:
   ● fleeing/run away behaviors
   ● biting/scratching/hitting behaviors
   ● medical needs that require constant nursing supervision or communicable diseases;
   ● defiant or conduct disorders
   ● mobility limitations that prohibit them from ambulating 1/2 mile or inability to participate in the sport activities
Initial Registration Form for Campers
Camp Abilities Long Island
July 7 - July 10, 2022

Important for ALL Campers:
1. Need to be predominately independent
2. Need to be able to communicate clearly

HEALTH QUESTIONNAIRE

We would like to have as much information on your child’s visual impairment as well as any other information on any other disability your child may have. Please take the time to answer the questions below. This will be beneficial for the counselors and specialists working with your child to understand their needs better.

Please check which classification your child falls into:

_____ Class B1: No light perception in either eye up to light perception, but inability to recognize the shape of a hand at any distance or in any direction.

_____ Class B2: From ability to recognize the shape of a hand up to visual acuity of 2/-600 and/or a visual field of less than 5 degrees in the best eye with the best practical eye correction.

_____ Class B3: From visual acuity 20/600 and up to visual acuity of 20/200 and/or a visual field of less than 20 degrees and more than 5 degrees in the best eye with the best practical eye correction.

_____ Class B4: From visual acuity above 20/200 and up to visual acuity of 20/70 and a visual field larger than 20 degrees in the best eye with the best practical eye correction.

Please answer the following questions: Please use the space provided only if you need to provide additional information. Please be as specific as possible!

1. My child has **difficulty going from dark to light** places?  Yes  No

   Explain: _____________________________________________________________

2. My child has **difficulty going from light to dark** places?  Yes  No

   Explain: _____________________________________________________________

3. My child has a **good sense of peripheral vision**?  Yes  No

   Explain: _____________________________________________________________

4. My child has **good sense of central vision**?  Yes  No

   Explain: _____________________________________________________________

5. My child **has tunnel vision**?  Yes  No

   Explain: _____________________________________________________________

Child’s Name: ________________________
